

PSALM OF HUNGER

Oh God, We need you. I need you.

My soul is hungry for your...

But I keep filling myself with....

These things never satisfy.
They leave me empty.
They leave me longing.
They leave me hungry.

Help me, God.

My stomach feels full, but my heart feels...

Fill me with your....

Feed me your truth.
Fill my heart with your heart.

I see you at work in....

Help me notice your spirit moving.
Help me be aware of your presence in the big and small things.

Oh God. We need you. I need you.
I want to eat.

Amen.
